# ATTENDANCE

**ATHLETES MUST  
ATTEND  
TRAINING**

**THE OFFICE MUST BE  
NOTIFIED OF ANY ABSENCE**

**TRAININGS CAN NOT BE  
MISSED 3 WEEKS  
PRIOR TO A COMPETITION**

Cheerleading is a team sport and attendance is absolutely crucial for the teams success and function. At Cheer Dynamix, we are very strict on our athletes attendance, however, we do understand that 'life happens' and emergencies/events may arise during the year. Below are the acceptable and non-acceptable reasons for missing training, as well as the absentee process, family holiday information and an insight on injuries.

## **ACCEPTABLE REASONS**

Compulsory School Events  
(camps & NCEA credit events)  
Funerals / Death in the family  
Family Emergency

- Extreme Illness / Contagious Illness

Family Holidays (see more below)  
Public Holidays  
Covid-19

## **UNACCEPTABLE REASONS**

Birthday Celebrations  
Parties and Social Events  
Injuries (see more below)  
Appointments  
"Can't be bothered"

- Being Tired / Having your Period
- Parental Punishment resulting in 'no cheerleading' for the athlete

## **ABSENCES AND ABSENTEE REQUEST PROCESS**

An email must be sent to [office@cheerdynamix.co.nz](mailto:office@cheerdynamix.co.nz) stating the athlete name, team and reason for the absence. All absentee requests must be sent at least 3 weeks in advance - unless urgent/unexpected. The office **MUST** be notified of all urgent/emergency absences **BEFORE** class start, in order for the coaches to prepare for the lesson. Athletes who miss numerous trainings throughout the season may lose their position and/or be replaced in a routine - at the coaches discretion. Athletes who miss numerous trainings **WITHOUT** notice, will receive a warning. If the warning is disregarded the athlete may be removed from the team.

## **INJURIES / ILLNESS**

Athletes who are injured or are unwell are still expected to attend training sessions. Athletes need to always be aware of what is being taught, the choreography they may need to learn and they must keep up to date with any changes to the routine etc.. Attending training while you are unable to train shows the coaches and team mates that you are committed to the team and although you can not physically do anything, you can still show your support and be a team player. Doctors Certificates are required for injuries and sicknesses. If athletes are extremely unwell and can not sit at the front of the floor during training, the office must be contacted ASAP.

## **FAMILY HOLIDAYS**

We kindly ask that family holidays are to be planned around the competition season. A written email with the holiday dates must be sent to [office@cheerdynamix.co.nz](mailto:office@cheerdynamix.co.nz), at least 8 weeks prior to the holiday. This will allow the coaches to plan and prepare for the athletes absence and if necessary, plan for any changes to the routine. As stated above, athletes must not miss training 3 weeks prior to an event. Athletes who do miss training during the 3 weeks may be removed from certain positions in their routines and/or completely removed from the routine, at the coaches discretion. Ultimately this is due to health and safety. We must ensure that all athletes competing are safe and confident and missing training during the most crucial time of the season, will not ensure safety.
