QUIZ NIGHT

Saturday 2nd November, 2024

Fundraising for the Revitalisation of our outdoor spaces

In July, **The Mahi Tahi Project**, one of the largest construction projects undertaken by Sacred Heart Girls' College and the Mission College Hamilton Trust Board in 35 years commenced. Spanning 18 months, this project will create an inviting new entrance and vibrant community spaces designed to foster communion, contemplation, and mission within our school.

In our urban setting, we have minimal recreational outdoor spaces available for our students to utilise during breaks, and also for class activities. In conjunction with the Mahi Tahi Project we want to revitalise these spaces to maximise the opportunity to provide our students and staff with inviting places to connect and relax in an inviting environment. This includes new seating, durable tables with benches, and innovative landscaping.

The PTFA Quiz Night is our initial fundraising event dedicated to making these enhancements a reality. Your support will help us enhance these spaces, enriching our school community for years to come.

The evening will include:

- A brain-bending Quiz
- Auctions
- Spin the Wheel Raffle
- Prizes
- Gourmet Platter for your table (*incl. in your ticket price*)
- Death By Chocolate Platter (*additional to ticket price*)
- Cash Bar
