Dear Parents and Caregivers

LTG Bus Services – part of the Leisure Time Group is the operator of the above-mentioned route. LTG Bus Services is a locally owned and operated bus and coach operation established since 1987.

Our staff are dedicated to providing the Ministry of Education a quality and reliable service for you and your family. For more information about us please feel free to visit our website: <https://ltgbus.co.nz/>

While browsing please also visit some of our policies that we would like to draw your attention to:

[CODE OF CONDUCT](#)

[HEALTH & SAFETY COMMITMENT](#)

[CHILD PROTECTION POLICY](#)

There are also many valuable links available provided by the Ministry of Education and NZTA which we have linked to our website can be found here: <https://ltgbus.co.nz/school-bus-services/>

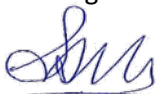

The Ministry of Education requires all bus operators to make a risk assessment for each individual pick-up and drop-off point on all routes. Throughout the year we will continue to review these should a new student join this service or if any other changes are deemed necessary.

Please find on the next page the route timetable that we intend to use from Term 2 2025. This includes morning and afternoon route maps along with approximate times at various landmarks along the route to give you some guidance around the timing of the route and collection times. Please remember that these times are approximate, please make sure you are a few minutes early. These times are subject to change due to circumstances outside of our control such as weather, traffic, road works, etc

If after reviewing the maps you cannot see your child's current collection point indicated, or if you are uncertain of the time your child will be collected based on the map provided then please contact us at our office as below:

Many thanks for your time and attention to read this information and the information on our website.

Kind Regards
