Our Homestays

We arrange a caring homestay for each student with wonderful opportunities to improve her English, become immersed in New Zealand culture, and have fun! Our homestay families are experienced, and love hosting both short term and long term students.

“Every student we host brings something special, and before long they feel like family.”

Steenson Family

“Come as a student, leave as family.”

Homestay life teaches us to embrace every opportunity, because the smallest moments often become the most meaningful.

Tuioti Family
