KINDO – SCHOOL PAYMENTS MADE EASY

At Sacred Heart, we use Kindo to make paying for school things simple for our whaanau.

Everything is in one place, so you don't need cash, envelopes or notes in school bags. You can pay for your fees, extra curricular activities, trips, events, order morning tea or lunch, whenever it suits you, from your phone or computer.

Kindo also keeps a record of what you've paid, so it's easy to keep track. You'll get reminders when something new comes up, and you can manage payments for more than one daughter from the same account. It's one less thing to think about, so you can get on with the important stuff.

NEW TO KINDO

All you need is the email address the school has on file for you.

NOTE: once you have created an account, your daughter will be displayed as an ***'unlinked student'***, not to worry. Once your daughter starts school, she will be displayed as linked. In the meantime you can still sign up for extra curricualr activities, pay fees, add money to your wallet or purchase from the shop.

EXISTING ACCOUNT HOLDERS

You can login using the 'myKindo login' as normal.

If you have students at two different schools and both have Kindo, you can just use one family Kindo account for everyone. Easily switch to a new school or add another school by clicking on 'Switch schools'.
