HOMESTAYS

We arrange a caring homestay for each student with wonderful opportunities to improve their English, become immersed in New Zealand culture, and have fun!

“ I chose Sacred Heart because I was impressed by the kind and friendly girls when I first visited NZ on a school trip. I believe that being in a welcoming, friendly environment, where everyone constantly supports and treats each other with respect, has allowed me to develop to my fullest potential, freely express myself, be happy and enjoy every moment I have had here at school.”

Han Ngoc Bao Hoang – Vietnam

“ Learning at SHGC promotes ‘how to be thoughtful’. I have been able to have and share my own opinion and be myself - totally different compared to my country. I admire the culture - there isn’t a barrier between students and teachers. Teachers are encouraging, friendly, approachable and we are respectfully given the chance to question without judgement. I am grateful to have volunteered in the community, been part of the school production, learned to play netball and made many friends.”

Kanyapak Yuankratok – Thailand

“ I studied at Sacred Heart Girls’ College for three and a half years. It was terrifying at the start since I couldn’t speak English at all and it was a totally new environment for me. Luckily, the staff in the International Office were super helpful. They took care of not only my studies, but also of my personal development. I knew that I didn’t need to worry too much as they were always at my back to support me.”

Ruihan Yu - China
