Extracurricular

If your daughter has chosen to participate in sports and/or an after-school activity there may be a charge. You will receive an invoice, which must be paid promptly, or a payment plan put in place to enable her to participate.

Annual Donation

The Board of Trustees requests a voluntary donation from all families to ensure equitable access to essential resources and facilities for every student. This contribution is crucial in enhancing your daughters' educational experience and opportunities.

This includes:

- Additional teaching and learning support staff beyond government funding, ensuring personalised attention and academic support.
- Integration of modern technologies that empower students to learn in ways that are relevant to them and their future pathway.

Contributions are tax-deductible, and you will receive a receipt for your records.

PTFA Donation

The aim of the PTFA is to enrich and support the lives of our students by utilising the family donation. This enables them to contribute to initiatives including financial support and student welfare.

Attendance Dues

Sacred Heart Girls' College is a Catholic integrated school financed partly by the government and partly through Attendance Dues paid by parents to the Proprietor, Mission College Hamilton Trust Board. **A contract to pay Attendance Dues is a condition of enrolment at a Catholic school.** The Minister of Education approves Attendance Dues under Section 36 of the Private Schools Conditional Integration Act 1975, which is a **compulsory** attendance charge.

Attendance Dues are used to pay for the costs of refurbishment and new buildings, insurance, mortgages and debt repayments on loans. As an integrated school, we do not get the same funding as a state-funded school. Unlike other Catholic schools, all money paid in Attendance Dues to the Mission College are used to fund only Sacred Heart Girls' College.

A full year's Attendance Dues are charged in February. Unless a payment plan is in place, payment is required in full by 20th April. With this office's approval, instalments can be established quarterly, monthly, fortnightly, or weekly.

Catholic Character Levy

Catholic Character makes our school special and different. Your donation helps support the teaching of Religious Education and ensures that our Catholic Character gives our girls the Catholic values to make wise choices in these changing times.

Building Fund Donation

This donation provides additional funds towards new buildings and refurbishment. Projects include:

- 2018** – Replaced roof of main building
- 2019** – Reinstatement of fire damaged wing
- 2019/2020** – Stage 1 and 2 refurbishment of classrooms to improve teaching spaces
- 2024/2025** – Mahi Tahi Project - refurbishment of Sacred Space, student cafe/dining space, and staff area
