Our staff are dedicated to providing the Ministry of Education a quality and reliable service for you and your family. For more information about us please feel free to visit our website: <https://ltgbus.co.nz/>

While browsing please also visit some of our policies that we would like to draw your attention to:

[HEALTH & SAFETY COMMITMENT](#)

There are also many valuable links available provided by the Ministry of Education and NZTA which we have linked to our website can be found here: <https://ltgbus.co.nz/school-bus-services/>

The Ministry of Education requires all bus operators to conduct a risk assessment for each individual pick-up and drop-off point on all routes. If you would like to request an additional stop, please submit your request via email. All requests must undergo the risk assessment process, which can take up to two weeks to complete, and any changes will be implemented as appropriate.

Please find on the next page the route timetable that we intend to use from Term 1, 2026. This includes morning and afternoon route maps, along with approximate times at various landmarks to give you guidance on the timing of the route and collection times. Please note that these times are approximate, so we recommend arriving a few minutes early. These times are also subject to change due to circumstances beyond our control, such as weather, traffic, or road works.

If, after reviewing the maps, you cannot see your child's current collection point indicated or are uncertain of the expected collection time, please contact our office using the details below.

Thank you for taking the time to review this information, as well as the information available on our website.

Kind Regards
