2.1 Selection/Development - Players

- 2.1.1 Purpose
- 2.1.2 Trial format
- 2.1.3 Selection panel
- 2.1.4 Non-attendance at trials
- 2.1.5 Naming of teams
- 2.1.6 Complaints procedures
- 2.1.7 Recruitment form - sample
- 2.1.8 Performance pathways
- 2.1.9 Pathways structure
- 2.1.10 Development

2.1.1 Purpose

To provide players with the opportunity to represent SHGC netball at a level suitable to their ability.

To provide opportunities for players to progress through SHGC Netball Player Performance Pathway and Hamilton City, Waikato Bay of Plenty Zone and Netball New Zealand (NNZ) development frameworks and strive for “Excellence”.

To enhance players enjoyment of the game.

Through the selection of teams SHGC netball aims to:

- Ensure all identified athletes are given equal opportunity to be considered for a team and provided with skill development opportunities to assist them to reach their potential
- Provide suitable coaches and opportunities for further development for all netballers, coaches, managers and umpires
- Provide a safe environment for all netballers and coaching management to effectively participate in netball
- Ensure all SHGC netballers are placed in an appropriate team that will allow them to develop their netball skills, and enhance their enjoyment of the game.
- Select Premier, Premier Reserve, Junior Premier, Year 10A1, Year 9A1 teams, with the level of competencies required, and who have the desire and potential to play at a higher level, or who can provide these developing players with leadership and good support.

Prior to the trials, the SHGC Netball Committee would consider exceptional junior players trial for the Premier/Premier Reserve teams, taking into consideration the following:

- The maturity of the individual player; physical, social, emotional, psychological.
- The amount of court time the player would get and whether they would benefit more from being on court in the Junior Premier team.
- Will the player continue to feature in future netball plans.
- The level of competition in which the team will be competing.

2.1.2 Trial Format

Players will register with the SHGC Sports Co-ordinator once the Trial dates have been set and coaches and selectors named.

Games will be approximately 10 minutes in length and all attempts will be made to trial players in every position they have listed on their registration form, up to three (3) preferred positions.

During the trials the selectors will evaluate individual skill levels (tactical & technical), fitness, and team playing abilities of each player. The following aspects will be evaluated to determine which team a player is selected for; warm-up, fitness, player combinations, skills, coach ability, attitude, leadership, communication, team dynamics, and individual player characteristics.

Where possible, an indoor facility will be used for Premier, Premier Reserve and Junior Premier trials.

Trial sheets with evidence based information shall be returned to the SHGC Sports Co-ordinator.

2.1.3 Selection Panel

The SHGC Sports Co-ordinator will convene the selection panel at all trials with assistance from SHGC Netball Committee.

Selectors may include appointed coaches at each level, an Executive Committee member with proven netball selection knowledge, and one invited independent selector with previous proven netball selection experience.

There will be a minimum of three (3) selectors for each of the Premier, Premier Reserve and Junior Premier teams, and where possible for all other teams. (Selectors may choose to rotate courts to increase efficiency at general trials.)

2.1.4 Non-Attendance At Trials

Players unable to attend trials for any reason will have their team selection based on:

- Availability of positions within the teams, information provided by the coach at the conclusion of the previous season, and in consultation with the selectors, coaches and SHGC Netball Committee
- If a player is unable to attend a trial due to injury or illness, where possible the player will be invited to attend another trial.
- If an ill or injured player is unable to trial at all, evidence must be given in writing by the treatment provider with estimated recovery time to be considered for the following teams: Premier, Premier Reserve, Junior Premier, 10A1, 9A1
- The selectors may consider past (only 12 months) team experience and performance of that player:
- If an injured player is unlikely to return to netball prior to season commencement, the following will be taken into consideration: player ability, rehabilitation period versus the needs of the team, expected recovery outcome. This will be done in consultation as above.

If a player is unable to attend a trial due to other reasons:

- The selectors have the discretion to allow the player to be considered for selection into the team in extraordinary circumstances.
- Communications of unavailability for the trials must have been provided and approved in advance of the first trial by the School Sports Co-ordinator.
- Written proof of the circumstances may be required in this situation.
- Players will be required to follow the same procedures as for illness or injury.

2.1.5 Naming Of Teams

Teams will be named within one working week of their final trial and after the teams have been passed through the SHGC Sports Co-ordinator and Netball Committee.

All players must have paid their previous years' netball fees (or made payment arrangements with SHGC), otherwise they will forfeit their team position.

Teams will be posted on SHGC Sports Noticeboards (*and SHGC Website and/or individual team's Facebook page*).

2.1.6 Trial Selection Complaints Procedures

Notwithstanding any of the provisions in this Guide, it is acknowledged that when applying the criteria and considerations set out above, there will be at times extremely difficult choices to be made which will require the Selection Panel to exercise its discretion and judgement. Providing the Selection Panel has properly considered the criteria and considerations set out in the Guidelines, and has exercised its discretion and judgement in good faith, then the Selection Panel will have fulfilled all of its obligations under the Guidelines.

All disputes regarding the trial selection process is to be directed to the Teacher in Charge of Netball, Whaea Gina in the first instance who may consult with the selectors, coaches and/or Netball Committee.

Each complaint must be received in writing stating the nature of the complaint and the evidence to support the complaint in writing within one (1) week of the Naming of Teams.

5.0 COMPLAINTS PROCEDURE

Certain situations may require a conference between a parent and/or the Teacher in Charge and/or the Secretary. It is important that all parties have a clear understanding of the other's positions and what procedures should be followed.

- The parent in the first instance should contact the Secretary of the Netball Committee
- If this does not resolve the situation alternative discussions should be arranged through the Secretary and/or the Chairperson to resolve the matter.

All discussions should focus on your daughter's matters, concerns or questions. As noted before, the performance of other players or any coaching strategies will not be a topic of discussion.
