

Free Dental Service Located On Site at Sacred Heart Girls College

This is a government funded service which provides free dental care to students from year 9 through to their 18th birthday.

The Tooth Group has five practices over the Waikato region including one right here in Hamilton East. Comprised of dental surgeons and an oral health therapist who operate on the mobile unit at Sacred Heart in term two.

If you choose to enrol your child with The Tooth Group then she will receive a free annual dental checks including x-rays during school hours and a free oral health kit and. All routine dental treatment can be provided at school and more complicated treatment at our branch on Peachgrove Rd. We are very experienced in providing care to this age group and look forward to being able to provide the best possible dental care to your child.
