and the

## Mission College Hamilton Trust Board

### Outward Bound Scholarship

The purpose of the scholarship is to assist Sacred Heart Girls' College students, who are up and coming leaders, to further develop their skills in leadership. Applicants will have demonstrated the potential to lead in our College Community. However, they may not yet have had the opportunity to excel in this area of personal development and, given this opportunity, would benefit the wider community of Sacred Heart Girls' College.

Provision of the Scholarship demonstrates the Mission College Hamilton Trust Board's ongoing commitment to provide educational opportunities for our students and to bring life to the school's Vision Statement - "To empower young women to strive for personal excellence and become leaders of the future".

The scholarship provides opportunities for personal awareness and development, and mental and social challenge. It enables students to develop self-reliance, empathy for others, to examine their beliefs and values, and provide skills as members of a team.
